To Whom It May Concern:

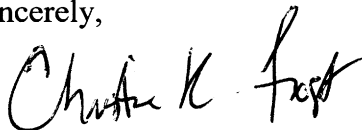

This letter is in response to your addressing request for a new tenant space located in an existing building. Two (2) new addresses have been assigned. The new tenant space will receive the address of "5692 Stewart Avenue" and the existing PG&E Meter Room (currently unaddressed) will receive an address of "5720 Stewart Avenue". Refer to Table "A" for a full inventory of both existing and new addresses. The Addressing Plan illustrates the current use and placement.

In accordance with Title VII (Building Regulations) Chapter 5 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new address must be in use within ten (10) days and not more than thirty (30) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled "ADDRESSING – Property Owner Responsibilities" and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property, in the case of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.

If you have any questions concerning this matter, please contact Ruby Wun at (phone) 510-494-4833 or (e-mail) rwun@ci.fremont.ca.us.

Sincerely,
