Re: Address for new tenant space – 34183 Fremont Blvd

To Whom It May Concern:

In response to your request for an address needed for a new tenant space, a total of one (1) address has been assigned. The assigned address (i.e., 34183 Fremont Blvd) was issued in 1986 as part of the addressing of the original development. However, it has not been in use for some time. It is a valid address and, under this addressing action, is being reactivated for this new tenant space. For a full inventory and description of the address, please refer to Table “A”. The enclosed Addressing Plan illustrates the proper use and placement of the address.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP48-0011.

In accordance with Title VII (Building Regulations) Chapter 5 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The assigned address must be in use within ten (10) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled “ADDRESSING – Property Owner Responsibilities” and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying

the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.

If you have any questions concerning this matter, please contact Ruby Wun at (phone) 510-494-4833 or (e-mail) rwun@fremont.gov.

Sincerely,

Christine K. Frost
GIS and Addressing Manager
