Re: Re-activate Existing Address For New Tenant Space – 44247 Nobel Drive

To Whom It May Concern:

In response to your request for an address needed for a new tenant space, one (1) address has been assigned. Our records indicate that there were three tenant space addresses issued to this property in 1999, but only one (i.e. 44235 Nobel Drive) was used. For the current address request, one of two remaining unused addresses has been reactivated and assigned to the tenant space (i.e. 44247 Nobel Drive). For a full inventory and description of active addresses, please refer to Table “A”. The enclosed Addressing Plan illustrates the proper use and placement of the new address.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP66-0166.

In accordance with Title 15 (Buildings and Construction) Chapter 15.55 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new address must be in use within ten (10) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled “ADDRESSING – Property Owner Responsibilities” and to Chapter 15.50 (Building Security) of the Title 15 (Buildings and Construction).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and

property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.

If you have any questions concerning this matter, please contact Ruby Wun at (phone) 510-494-4833 or (e-mail) rwun@fremont.gov.

Sincerely,

Christine K. Frost
GIS and Addressing Manager
