To Whom It May Concern:

This letter is in response to your request regarding the validity of two (2) addresses located at Assessor Parcel Number 525 135001202. I understand the request is needed to establish the use of the assigned addresses with the Post Office. The addresses you wish to use are 45365 Northport Loop West and 45395 Northport Loop West. Our records indicate that there were two addresses (i.e. 45365 & 45395 Northport Loop West) issued to this property in 1983; and one address (i.e. 45375 Northport Loop West) issued in 2000. An inventory of these addresses is shown on Table "A". The address (i.e. 45365 Northport Loop West) is to be used as the tenant space/building address. The remaining address (i.e. 45375 Northport Loop West) will be rescinded as it is no longer needed. The address, 45395 Northport Loop West, is to be used only as the property/situs address for the Assessor's records. Please refer to the enclosed Addressing Plan for this property to see the distribution of the addresses assigned to this property. A copy of this letter will also be forwarded to the Post Office for their information.

You will need to check your address records and posted addresses to make sure they match the assigned addresses (45365 Northport Loop West for the tenant space/building and 45395 Northport Loop West for the property). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies as well as the County Assessor's Office. However, be aware that some agencies may not update their records until

notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP72-0052.
