Re: Verification of an existing address – 3695 Stevenson Blvd Unit 122

To Whom It May Concern:

This letter is in response to your request regarding the validity of one address for a condominium unit located at Assessor Parcel Number 525 165116700. I understand the request is needed to verify its assigned address. **The address you wish to use is 3695 Stevenson Boulevard Unit 122. This address is considered valid for this condominium unit (APN 525 165116700).**

Our records indicate that the address was assigned to the unit in 1989 when the condominium development was constructed. The common address for the development and mailing address for all units is 3695 Stevenson Boulevard. The unit is located in Building D (*which has an address of 3717 Stevenson Blvd issued for building permit purposes only, not unit identification*). It was also identified as Condominium Unit Lot D122 of Tract 6153.

Please refer to the enclosed Addressing Plan for this property to see the location of the addresses assigned to this property. You will need to check your address records and posted address to make sure they match the assigned address (i.e., 3695 Stevenson Boulevard Unit 122). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies as well as the County Assessor's Office. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP72-141A.

In accordance with Title VII (Building Regulations) Chapter 5 (House Numbering) of the Fremont Municipal Code, this letter serves as the notice of the addressing action affecting your property. The new address must be in use within ten (10) days of the receipt of this letter. For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled "ADDRESSING – Property Owner Responsibilities" and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and property owner of this parcel should review and update their records that are registered with the City (such as for building permit and/or business tax purposes). And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.
