Re: Address for one new tenant space in building located at 2201 Walnut Avenue - Suite 280

To Whom It May Concern:

In response to your request for a new address needed for one new tenant space created by the division of existing Suite 260, a total of one (1) new address have been assigned. For a full inventory and description of the (existing and new) addresses, please refer to Table "A". The enclosed Addressing Plan illustrates the proper use and placement of the new addresses.

Based on the City's Addressing Guidelines, suite numbers shall be in a sequential pattern. However, it is recognized that some existing suite numbers for this building (as noted on attached site plan) are out of sequential order. Please note that this may cause a problem with public safety response. It is advised that when these suites are vacated you contact the City for the issuance of new suite numbers.

Directional signage should be installed to help identify the location of the office suites.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP72-0182.

For information on the size and location of address numbers on a building, please refer to the enclosed information sheet titled "ADDRESSING – Property Owner Responsibilities" and to Chapter 2 (Building Security) of the Title VII (Building Regulations).

You will need to update your address records and outside address numbers as soon as possible for the purpose of rapid identification of your property in the event of an emergency. Any occupants and

And, by copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct addresses.
