- Re: (1) Verification of existing building meter address for house meter – 47386 Fremont Blvd
 (2) New address assignment for building meter rooms:
- 47386 Fremont Blvd, Meter A (located in Meter Room A)
 - 47386 Fremont Blvd, Meter B (located in Meter Room B)

To Whom It May Concern:

This letter is in response to your request regarding the validity of one (1) address located at Assessor Parcel Number 519 169303000. I understand the request is needed to establish the use of the assigned/existing address for use as the building house meter address with PG&E. Our records indicate the address (47386 Fremont Blvd) was issued to Building 2B at time of its original development on March 20, 1986 to be used as the building house meter address.

It has been brought to our attention that the building contains two meter rooms. One is located near Tenant Space 1, and the other is located within Tenant Space 3. Two (2) new addresses have been assigned to the meter rooms. The meter rooms and the corresponding house meter are addressed as follows:

- Meter Room A is addressed as 47386 Fremont Blvd, Meter A
- Meter Room B is addressed as 47386 Fremont Blvd, Meter B

An inventory of these addresses is shown on Table “A”. Please refer to the enclosed Addressing Plan for this building to see the distribution of the addresses assigned. A copy of this letter will also be forwarded to PG&E for their information.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP78-0051.
