Re: Verification and re-activation of an existing/inactive address for Tesla Service Center - 48370 Kato Rd

To Whom It May Concern:

This addressing action is to verify and re-activate an existing/inactive address (i.e., 48370 Kato Rd) so that it may be used by the current building tenant. At the time of initial development, the building had been assigned five tenant space addresses. The 48370 Kato Rd address is one of them. Because the main access has been moved to the Kato Rd side of the building, it is deemed that this 48370 Kato Rd address is more appropriate than a Page Ave address and; therefore, may be used instead.

An inventory of the verified/re-activated address is shown on Table “A” and may be used in the location indicated on the enclosed Addressing Plan.

Electronic copies of this letter and documentation will be posted to the City’s web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP84-0018.

You will need to check your address records and posted address to make sure they match the assigned address (i.e., 48370 Kato Rd). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies. However, be aware that some agencies may not update their records until notified by the property
