Re: Address for new secondary dwelling unit – 861 Boar Terrace
 Verification of existing address for primary residence – 859 Boar Terrace

To Whom It May Concern:

This letter is in response to your request for a new address due to the construction of a secondary dwelling unit and the verification of the existing address assigned to the primary single family residence.

For the new secondary dwelling unit, one (1) new address has been assigned. The address for the primary residence and parcel address is verified as 859 Boar **Terrace**. The 859 Boar **Terrace** address was issued during the project's development in 1986. Please note that the Alameda County Assessor's Office incorrectly lists the parcel address as 859 Boar Circle. You will need to contact the Assessor's Office to make sure that they list the correct address (i.e., 859 Boar **Terrace**) for your property. While the below-listed agencies and utility companies as well as the County Assessor's Office are provided with a copy of this letter, you should be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address. In addition, you should check all address records, posted address and city records (such as for building permit and/or business tax purposes) to make sure they match the assigned address (859 Boar **Terrace**). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency.

For a full inventory of the addresses, please refer to Table "A". The enclosed Addressing Plan illustrates the proper use and placement of the new address.

Electronic copies of this letter and documentation will be posted to the City's web site at http://gis.ci.fremont.ca.us/addr/addr_proj.cfm within 10 business days. The files will be stored under SP84-0094.
