Re: Address verification of existing parcel for use by temporary construction site – 905 Warren Ave

To Whom It May Concern:

This letter is in response to your request regarding the validity of one (1) address (i.e., 905 Warren Avenue) located at Assessor Parcel Number 519 095000114 and 519 095001203. I understand the request is needed to establish the use of the assigned address with PG&E. The address you wish to use is the parcel address assigned to the property. Please refer to the enclosed Addressing Plan and Table A (located on page 3 of this letter) for additional information. A copy of this letter will also be forwarded to PG&E for their information.

You will need to check your address records and posted address to make sure they match the assigned address (i.e., 905 Warren Avenue). If they differ, they should be updated as soon as possible for the purpose of rapid identification of your property in the event of an emergency. In addition, please review and update any records that are registered with the City (such as for building permit and/or business tax purposes). By copy of this letter, we are notifying the below-listed agencies and utility companies as well as the County Assessor’s Office. However, be aware that some agencies may not update their records until notified by the property owner. Therefore, it is your responsibility to make sure that the appropriate agencies or businesses acknowledge the correct address.

If you have any questions concerning this matter, please contact Ruby Wun at (phone) 510-494-4833 or (e-mail) rwun@fremont.gov.

Sincerely,

Christine K. Frost
